From, The - I.G. of Prisons,

Letter No. 814-6 dated 30th March 1943

Stating that the present arrangement of conveying the political prisoners & detenues of the Central Jail, Bangalore to Hospitals in a bullock cart is not satisfactory & that the Dist. of Police is agreeable to spare a Police motor van on days when on which it is not required for the use of the Police, the charge being Rs 2/- per trip and requesting Sanction to engage the Police motor van as proposed

Submitted. Both the Departments being Govt. departments, there is no object in levying a fee of Rs 2/- per trip in the Jail Dept. Besides the formal payment and adjustment involve a certain amount of clerical work all round which it would be necessary to avoid

If approved, the D.I.G. of Police will be requested to spare the van free of fee on days on which it is free.

OFFICE OF the Inspector-General of Prisons in Mysore, Bangalore.

No. 814-6 Encls. One

Date 30th March 1943.

Pris/25-42-1

To

The Secretary to the Government of

His Highness the Maharaja of Mysore,

Law Department, Bangalore.

Sir,

Subject:- Police Van for use in the Central Jail at Bangalore.

I have the honour to state that at present a Bullock Cart is used in the Central Jail at Bangalore for conveying political prisoners and detenues to Hospitals. The Bullock Cart provides limited accommodation and takes considerable time for each trip. The prisoners and detenus find it easy to exchange messages on their way to and from the hospitals. It is necessary therefore that this mode of conveyance should be given up at least temporarily till the conditions become normal. The Inspector-General of Police who was consulted in the matter states that a police van can be spared on the days on which it is not required for police purposes and that the charges will be Rs. 2/- per trip. I submit herewith a copy of the letter received from the Superintendent, Central Jail, Bangalore together with a copy of letter received from the Inspector-General of Police and request that sanction of Government to the arrangement proposed may kindly be obtained and communicated to me early.

The expenditure will be met from out of the provision made to the Central Jail, under the head "Hospital charges".

I have the honour to be,

Sir,

Your most obedient servant,

Inspector-General of Prisons.

Copy of letter No. 922/F.3 dated the 9th March 1943 from the Superintendent, Central Jail, Bangalore to the Inspector-General of Prisons in Mysore, Bangalore.

I have the honour to state that at present the only mode of conveyance used-in-the Central Jail for taking prisoners to Hospitals, is a Double Bullock Cart.

It is found in practice that this Cart is highly inconvenient on account of (i) the limited accommodation (ii) considerable time that is taken for each trip, (iii) the chances of the detenus-exchanging messages on their way, and (iv) persons congregating behind the cart on its journey through the City proper, especially when detenus are being taken.

In the circumstances, I request that the Inspector-General of Police, may be addressed to kindly spare a Police Van each day between 9 A.M. to 11-30 A.M. as long as the detenus and political prisoners are being confined in this Jail.

The recurring expenditure in this account may be charged to the Prisons Department under the head of Hospital Charges - "19 Jails 2 Jails and Lock-ups".

Police Van for conveyance of detenues and political prisoners from the Central Jail to the Victoria Hospital and Back.

---

With reference to your letter No. 814-4 dated the 12th instant on the above subject, I have the honour to state that one of the Police Vans can be spared only on the days when the vehicle is not required for police purposes.

5

Taking into consideration the cost of petrol, oil and other incidental charges the charges will be at Rs. 2/- per trip.
